Printed name

Save Our Pool

- ❖ Who are we? Save Our Pool is an association of citizens and business people who are working to keep the North Kitsap Community Pool open.
- ❖ Why? Pool operations have been eliminated from the proposed 2008-09 North Kitsap School District budget.
- ❖ What? As a Non-Profit organization, we are working to raise funds from the community to keep the pool open.
- ❖ How much? The school district estimates that the subsidy they provide to keep the pool open is \$350,000, annually.
- ❖ Our goal is to raise community awareness regarding pool operations while establishing community based financial support for the pool.
- ❖ The pool will close August 31, 2008 if the funding is not found!

If you can help in any way please e-mail us at:
